

Metrology Engineer

We are looking for a Metrology Engineer to join our U.S. Headquarters. Before getting into more detail of the role, here are a few reasons why you'll enjoy being a part of the SUMCO team:

- Competitive Pay
- Excellent Benefits Package (medical, dental, vision, 401K with Company match and no vesting schedule, paid vacation, floating holidays and sick time. Company paid life insurance, short and long term disability).
- Monthly Bonus Program up to 10% base salary
- Tuition Reimbursement
- Relaxed dress code
- Wellness program where you earn prizes and money as well as reimbursement towards gym fees

Education and Skills Required:

- B.S. degree in Engineering or Physical Sciences, or Professional Engineering registration or an equivalent combination of education and/or experience.
- Knowledge of Design of Experiment and SPC required.
- Experience performing and analyzing Gauge R&R studies.
- Experience with metrology systems like 4-point probe, FTIR measurement, or SP1 preferred.
- Experience with CR-8x, Laser Inspection tools, or Dimensional Inspection tools preferred.

Primary Responsibilities:

- Performs the measurements necessary for metrology development verification or demanding special skill level for the equipment operation.
- Cooperates with maintenance engineering in maintaining documentation related to metrology equipment such as drawings, manuals, and upgrade documents. Writes process procedures or work instructions or software manuals when applicable.
- Leads activities for one or more of the following functions: Test & Measurement Control System, Standards and Correlation, Analytical Lab, Product Design Review, Quality Systems, Contract Review or Competitor Product Benchmarking.
- Participates in training metrology equipment specialists, technicians, and operators.

If you have experience working as a Metrology/Quality Engineer, we would love to see your resume.

This position is an on-site position with an annual salary range from \$85,000.00, to \$95,000.00 depending on education and experience.

Location:

SUMCO is located in the beautiful Desert Ridge neighborhood in north Phoenix. Surrounded by stunning mountain views and just 20 minutes from downtown Phoenix.

Please send resume to HR@sumcousa.com

Posting Statement:

SUMCO is an Equal Opportunity Employer. We maintain a drug-free workplace and perform pre-employment substance abuse testing. All qualified applicants will receive consideration for employment without regard to race, color, religion, religious creed, sex, national origin, ancestry, age, physical or mental disability, medical condition, genetic information, military and veteran status, marital status, pregnancy, gender, gender expression, gender identity, sexual orientation, or any other characteristic protected by local law, regulation, or ordinance.

We look forward to hearing from you!

Thank you!
